S-358 Communications Unit Leader

Overview:

This class is for those who might be making decisions during a disaster regarding their jurisdiction or agency. It is also for those who would like a fundamental understanding of how decisions are made. This course will follow along the National Incident Management System (NIMS) and will utilize the Incident Command System (ICS).

The Communications Unit Leader, under the direction of the Service Branch Director or Logistics Section Chief, is responsible for;

- Developing plans for the effective use of incident communications.
- Establishing adequate communications over the incident
- Advise on communications capabilities and limitations
- Provide technical information limitations and adequacy of communications.

Intended Audience:

- Law Enforcement Command Staff
- Fire Service Command Staff and Commissioners
- Public Works Directors
- Health Dept. Officials
- Hospital Administrators
- Emergency Mngmt.
- Incident Management Team Members
- City Managers and Council Members
- County Commissioners

Prerequisites:

- IS-700 or ICS-100

Course Length

- 24 Hours
